

*“I saw in the night visions, and behold, with the clouds of heaven there came one like a son of man, and he came to the Ancient of Days and was presented before him. And to him was given dominion and glory and a kingdom, that all peoples, nations, and languages should serve him; his dominion is an everlasting dominion, which shall not pass away, and his kingdom one the shall not be destroyed.” Dn 7:13, 14*

Today and in the past the peoples of the world have always had to live with knowledge that at any moment another king could rise up and overtake their own. The Book of Daniel describes great kingdoms of the world that have risen and fallen, however he also speaks of a coming kingdom that will crush all others and remain forever. This is the same Kingdom of Heaven that Jesus illustrates with his parables. It is His kingdom and His throne that will be for all eternity. We can take great solace that we are in a kingdom that will not and can not be destroyed no matter how the world may crumble around us.
